

Jason Chee

Product designer,
Ruby on Rails & Wechat Mini Program developer

✉ Jason@jchee.org <https://jasonchee.me>

📍 Shanghai, China*

Salutations and welcome. This is my resume. No fluff just facts.
I personally think it's better for me to write you a cover letter, or indulge you with conversation about my background and experience.

Experiences

May 2017 – Present

Tuitu Technology Solutions

Co-founder, Product Designer

2018 – Present

Le Wagon Coding Camp

Teacher Assistant

Mar 2015 – Jan 2017
